## ARCHITECTURAL PAINT COLOR CONSULTING

### WHAT IS A COLOR CONSULTATION?

We discover meaningful color relationships that already exist in your home and find wall colors that will make them feel perfect.

#### How does it work?

- Request a consultation
- Consultation takes about 1-2 hours
- I take images and samples back to my office, and create personal color palettes for each room.
- We meet again for the presentation.

#### What do you get?

- Peace of mind
- A custom palette with 8-10 personalized colors for your home
- A detailed color plan of placement and finishes throughout your home
- You will know where to start and stop each color and how to utilize your palette.
